

DECLARATION OF JENNIFER ALISE LINSON

I, Jennifer Alise Linson, declare and state as follows:

1. I am a resident of California, a United States citizen and am 43 years old. I am of sound mind and am fully qualified to make the following statements.
2. I have prepared this Declaration by choice, not compulsion, as an exercise of my own free will, and without any pressure, coercion, or duress concerning its content or preparation from anyone.
3. I am a senior executive of the Church of Scientology International.
4. I have been in the employ of the Church since March 28, 1985, when I began my career in the Sea Organization at the age of 19 years old.
5. I married Tom De Vocht on June 28, 1986.
6. I have known Mr. David Miscavige for 22 ½ years. Mr. Miscavige, in the years I have known him, has treated me with kindness, compassion and understanding that knows no bounds. I have spent more time with Mr. Miscavige and his direct assistants over the years, than any other executive in the Church.
7. I have never experienced nor witnessed any violence from Mr. Miscavige toward anyone, including Tom De Vocht.
8. I first met Mr. David Miscavige with his wife Shelly during the Christmas holiday season in 1986 when the staff of the International (“Int”)

Base and Golden Era Productions went to Big Bear to ski and celebrate along with the Author Services executives and staff. Tom introduced me to Mr. and Mrs. Miscavige as his new wife. They were very warm and cordial and went out of their way to meet me having known Tom since the early 80s. Tom was very proud to introduce me and to let me know how much he cared for and respected Mr. Miscavige and how Mr. Miscavige and his wife took him under their wing when he first arrived to the Int Base a few years prior and brought him with them to a football game over Christmas and saw that he was not alone, as he was new and knew few people.

9. My first working acquaintance with Mr. Miscavige was in 1988 when I was on a project to establish the Freewinds Ship Organization aboard our newly purchased and renovated cruise ship, *Freewinds*, prior to and during her Maiden Voyage. I was working to establish the ship executives and crew onto their new posts and Mr. Miscavige came aboard the Ship. He granted me the utmost care and importance on my job and I knew then that this was an executive like no other. He was interested in every detail and proud of the accomplishment of the staff and let us know. That was my experience then and continued to be my experience for the years to come.

10. I was removed by Commodore's Messenger Organization ("CMO") International from my position in CMO Clearwater and worked for some months in the Fort Harrison Hotel. In the interim a project came up to establish the Manor Hotel at Celebrity Centre International. I was called by International Management to head that project, which I did. During this project, Mr. Miscavige came to the Manor Hotel with Mr. Norman Starkey to see what had been done and ran into me. He was warm and effusive as ever and happy to see me and what was being done. In the

before the end of the year. We have incredible new services for new public coming out in October and much more. The future is brighter than it has ever been.

62. It also so happens that our greatest expansion is coincident with the departure of criminals notorious in the Sea Org for being such and now *persona non grata* forever. That is the picture. No Scientologist would ever listen to their lies, as they know the truth. Mr. Miscavige has helped every single Scientologist achieve personal betterment with Scientology. He has brought the Church to a place in the world today, where anyone can stand up proud to be a Scientologist and part of this incredible growing movement.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 28th day of July 2009.

Jennifer Alise Linson
